Hip Fitness Bands

Our Hip Fitness Bands are perfect for any kind of workouts and designed for both men and women. They help shape body curve and improve muscle tone. Its portable design makes it convenient to transport or use at home.

SKU: CD-HPB003

Wide & Thick

Wider and thicker than normal resistance bands. They do not curl or slip. The contact surface is smooth and will not rub against the skin, so there is no need to readjust during indoor and outdoor sports and training.

Non-Slip Design

The combination of polyester and latex confers much softer and more durable properties at the same time. An inner sheet gives strength and an outer part prevents it from slipping for better traction.

3 Levels of Resistance

Three strength levels included: Light (Green), Medium (Pink), Strong (Purple). We vary the tension of each fabric to change the resistance, not the size of the band. This elastic bands are for everyone.

Hip Bands Set

Included are 3 lightweight and portable elastic resistance bands with manual with easy exercises to get started.

NEW Cooldot Ozeanic Eco-bottle

Enjoy drinking water
anywhere!

750ml Tritan bottle with ozone generator cap, a set of stainless steel tube plus a diffuser stone and a replacement diffuser piece.

The COOLDOT OZEANIC © Purifier Bottle eliminates harmful bacteria and viruses such as E. coli, Rotavirus and Poliovirus, taking advantage of the properties of Ozone as a disinfectant and bactericide. This eco-friendly purifier bottle is a sustainable alternative to reduce the single-use plastic bottles that pollute the planet.

Gym & Cycling

By using a 100% natural biological process, the taste, smell and color of the water remain neutral.

Home & Office

The bottle works with a powerful electronic circuit, built into the cap. With rechargeable lithium battery.

Camping & Outing

With this eco-bottle you can make sure your water is free from bacteria and viruses. All you have to do is press a button and wait a few seconds for the ozone to take effect.
